

Directions to Tugela Ferry From Greytown.

1. Enter into Greytown on the R33 from Pietermaritzburg. At the first traffic lights turn right into **Durban Road** continue with Durban Road passing right through Greytown, this becomes the road to Kranskop and Stanger. As you leave Greytown look out for the Dundee Road which turns to the left only **after about 1 km**.

2. Take the Dundee - R33 road to the left, continue for 45 Km to reach Tugela Ferry village and Church of Scotland Hospital. Take this road slowly looking out for cattle, goats and donkeys.

On the way you will cross the Mooi River and pass through the village of Keatsdrift after which the road takes you up the mountain, within a few kilometers you will descend steeply again into the Tugela river valley. Cross the Tugela River on a single lane Steel bridge then pass through the Tugela Ferry village. As you leave the village look out on the Right hand side for a concrete pallisade fence, the Church Of Scotland Hospital sign will be clearly displayed on the fence at the Hospital entrance.
